

Database Training for Medical Home Providers

To access a tutorial especially created to help pediatricians and other pediatric medical home providers learn to use the Maryland Infant Hearing Screening Program's OZ eSP database:

1) Go first to the **Maryland Infant Hearing Program (DHMH) web site**

http://fha.dhmh.maryland.gov/genetics/SitePages/inf_hrg.aspx (Hit cancel if it asks for a password)

2) Go to the For Providers section on the left at mid page and click on OZ eSP Training

This will take you to a page where you can click on PCP Webex which will take you to an OZ training web site with a narrated slide show on how to use the database. The actual website is:

<https://ozsystems.webex.com/ozsystems/lsr.php?AT=pb&SP=MC&rID=61089872&rKey=876792263f69c033>

3) There is also a PDF of a General Users Manual for download
