

2019 Annual Meeting

The Evolution of Pediatric Practice Management

September 14, 2019
9:00 a.m. to 3:00 p.m.

Sheraton Columbia Town Center Hotel, Columbia, MD

MDAAP Chapter Awards

CHILD ADVOCATE AWARD: Baltimore Healthy Start

This award is given to a non-MDAAP Chapter member or group who has, through its partnership with the MDAAP Chapter and advocacy for the needs of children and adolescents, made a significant contribution to the well-being of and adolescents in Maryland.

LEADERSHIP AWARD: Katherine Hoops, MD, MPH, FAAP

This award is given to an MDAAP Chapter member who has excelled in leadership of Chapter activities, either through a special project or a committee initiative in the past three (3) years.

LEADERSHIP AWARD: Susan Lipton, MD, MPH, FAAP

This award is given to an MDAAP Chapter member who has excelled in leadership of Chapter activities, either through a special project or a committee initiative in the past three (3) years.

LIFETIME ACHIEVEMENT AWARD: Charles Shubin, MD, FAAP

This award is given to a member of the American Academy of Pediatrics and the MDAAP Chapter, who, over a lifetime, has significantly contributed to an area of Pediatrics and is recognized in Maryland and the United States for leadership and expertise.

PEDIATRICIAN OF THE YEAR: Brian Corden, MD, PhD, FAAP

This award is given to a pediatrician, FAAP, and MDAAP Chapter member, whose career has exemplified the ideals of Pediatrics in service, advocacy, and contribution to organized pediatrics through leadership in the Chapter or through outstanding contributions to child health or professional pediatrics in Maryland.

SPECIAL ACHIEVEMENT AWARD: Michael Burke, MBA, MD, FAAP

This award is given to a physician who has made an outstanding contribution to child health through research, service or educational endeavors.

Dr. Burke's dedication to his patients, guidance to his trainees, and impact on Maryland's pediatric healthcare community will be missed.

National AAP Special Achievement Awards

For distinguished service and dedication to the mission and goals of the Academy

Richard Lichenstein, MD, FAAP: A tireless injury and disaster preparation expert, who fervently works to keep children, families, and communities safe

Natalie Spicyn, MD, FAAP: A passionate co-creator of the MDAAP Gun Violence as a Public Health Epidemic Task Force whose advocacy is fueled by a powerful sense of social justice

Kenneth H. Tellerman, MD, FAAP: Co-creator and committed champion of the Grow Your Kids: TREE program, which fosters resilience in young children and families living in poverty

Our Exhibitors

Through its nationwide *Mission: HPV Cancer Free* campaign, the **American Cancer Society** partners with volunteers, parents, providers, healthcare organizations, and community leaders to increase HPV vaccination rates for preteens to at least 80% by June 8, 2026 -- the 20-year anniversary of the FDA's approval of the first HPV vaccine. www.cancer.org

B'more for Healthy Babies, led by the Baltimore City Health Department, brings together communities, organizations, and resources with the vision that Baltimore children are born healthy and grow and thrive in healthy families. BHB works with Baltimore city agencies, healthcare systems, and academic institutions. www.healthybabiesbaltimore.com

Baltimore City Health Department's Lead and Asthma Programs provide interventions for Baltimore City children with elevated blood lead levels and/or moderate to severe asthma. There is no fee for any services, which include: education; mitigating hazards and triggers; referrals for services; and connections to PCPs. <https://health.baltimorecity.gov>

The BE SMART framework was developed by **Moms Demand Action for Gun Sense in America** to address the number of suicides and unintentional shootings when children access an unsecured gun. The program emphasizes that proper storage and security is an adult responsibility. www.momsdemandaction.org

Bedtime in a Box is a creative but simple solution that supports the health and educational development of children, by providing families with the materials, tools and training they need for a comprehensive bedtime routine, created to strengthen early literacy and support the link between home and school. <https://bedtimeinabox.org>

Our Exhibitors

HealthCare Access Maryland brings quality, affordable health care options to residents of Central and Mid-Western Maryland. Certified Navigators provide education to consumers in Baltimore City, Baltimore, Anne Arundel, Howard, Frederick and Carroll Counties helping individuals apply for Medicaid, MCHP, and Qualified Health Plans.

www.healthcareaccessmaryland.org

Maryland Association of Nonpublic Special Education Facilities serves as a resource for children with disabilities. With a range of 80 nonpublic state-approved special education schools offering services and hands-on support to students with disabilities, these schools, located across the state, provide high-quality services customized to meet each student's needs. www.mansef.org

Maryland Behavioral Health Integration in Pediatric Primary Care (BHIPP) provides support to pediatric primary care providers statewide in addressing the behavioral and developmental needs of their patients. Services include telephone consultations by experienced behavioral health providers, social work co-location, training for PCPs, and referral and resource networking. www.mdbhipp.org

Maryland Department of Health, Office of Oral Health works to address the burden of oral diseases affecting the State's neediest children and adults. The mission of OOH is to improve the oral health of Maryland residents through a variety of public oral health initiatives and interventions.

<https://phpa.health.maryland.gov/oralhealth/Pages/home.aspx>

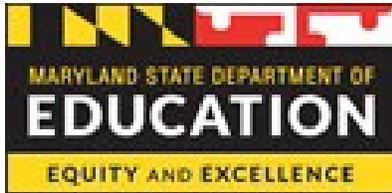

Maryland Family Network's LOCATE: Child Care helps families find quality child care that meets their needs.

LOCATE: A free referral service with information on all regulated child care in Maryland, referral specialists will help identify child care based on personal preferences, including type, location, and cost.
