## **MDAAP Executive Director's Digest – February 5, 2021**

**MDAAP Chapter Chats – February to June 2021:** *Join MDAAP President Debbie Badawi* to discuss issues regarding your patients/families and practices as Maryland pediatric healthcare providers!

\*Tuesday, **February 16, 2021** at 5:00-6:00 p.m. ET – register in advance for this webinar at [https://us02web.zoom.us/webinar/register/WN\\_v4pIlFSSTCOrgnPquTf8qA](https://us02web.zoom.us/webinar/register/WN_v4pIlFSSTCOrgnPquTf8qA) - After registering, you will receive a confirmation email containing information about joining the webinar.

\*Thursday, **March 25, 2021** at 12:00-1:00 p.m. ET – register in advance for this webinar at [https://us02web.zoom.us/webinar/register/WN\\_MV\\_trLA3SvaX0RIusT9Q3w](https://us02web.zoom.us/webinar/register/WN_MV_trLA3SvaX0RIusT9Q3w) - After registering, you will receive a confirmation email containing information about joining the webinar.

\*Friday, **April 9, 2021** at 12:30-1:30 p.m. ET – register in advance for this webinar at [https://us02web.zoom.us/webinar/register/WN\\_bq-J-aA3RaGQ1WWD\\_fteBQ](https://us02web.zoom.us/webinar/register/WN_bq-J-aA3RaGQ1WWD_fteBQ) - After registering, you will receive a confirmation email containing information about joining the webinar.

\*Tuesday, **May 11, 2021** at 8:00-9:00 a.m. ET – register in advance for this webinar at [https://us02web.zoom.us/webinar/register/WN\\_SSAynaXeSLau\\_FQ2tPSBxA](https://us02web.zoom.us/webinar/register/WN_SSAynaXeSLau_FQ2tPSBxA) - After registering, you will receive a confirmation email containing information about joining the webinar.

\*Friday, **June 11, 2021** at 12:30-1:30 p.m. ET – register in advance for this webinar at [https://us02web.zoom.us/webinar/register/WN\\_3pst3ZlqSwwKbFZP59tH-A](https://us02web.zoom.us/webinar/register/WN_3pst3ZlqSwwKbFZP59tH-A) - After registering, you will receive a confirmation email containing information about joining the webinar.

**Did you know... that 2020 was the MDAAP's Chapter's 70<sup>th</sup> anniversary?** Due to COVID-19, we will be postponing our celebration to 2021 – party date still to be determined – so stay tuned! In the meantime, I am reaching out to you to hear *your* stories... I'd like to hear how you became a member! Many of you have been longtime members (maybe since the Chapter's since its inception in 1950?), so please share any history about the Chapter as well. So, when you've got some time, send me an email [loretta@mdaap.org](mailto:loretta@mdaap.org)!

**THANK YOU for being a member of the MDAAP!** Especially since the COVID-19 pandemic started, it is important for your opinions and views to remain a part of the collective voice of our organization that speaks for OUR Maryland kids. The MDAAP leadership and I hope you have found our communications helpful and informative – and let me know if there are resources we should be providing you with if we don't!

In Remembrance Of

Dr. George A. Lentz, Jr, passed away on December 12, 2020. A recipient of the MDAAP Lifetime Achievement Award in 2013, Dr. Lentz was a graduate of the Johns Hopkins University in 1953 and in 1957 earned a Doctorate in Medicine from the University of Maryland, specializing in Pediatrics. In his 57-year career Dr. Lentz served as an attending physician at the Mt. Washington Pediatric Hospital, as the Medical Director for the Maryland School for the Blind, as Medical Director for the United Cerebral Palsy of Central Maryland, and as Professor at the University of Maryland School of Medicine. For more information, see [Obituary | Dr. George A. Lentz, Jr. | Barranco Severna Park Funeral Home & Cremation Care, P.A. \(barrancofuneralhome.com\)](#).

## MDAAP Foundation

**2020/2021 Holiday Fundraising Campaign - Support Early Literacy for Maryland's Children!** Please consider supporting early literacy for Maryland's children with a charitable donation to the *Maryland Chapter, American Academy of Pediatrics Foundation*; a letter from Maria Brown, MDAAP Foundation President is attached. As Maryland pediatricians and pediatric healthcare providers, we know that the pandemic has taken an unprecedented toll on our children and families. Even the youngest of children have been schooling via distance learning and missing out on enriching and nourishing social interactions with friends and teachers. Families are craving time with their children that does not involve screens.

*To donate online* (via PayPal), go to our website <https://www.mdaap.org/foundation/>.

*To send a donation by check*, please make your check out to the "MDAAP Foundation" and mail to 1211 Cathedral Street, Baltimore, MD, 21201.

You can also *make a purchase* at [smile.amazon.com/ch/52-1762334](https://smile.amazon.com/ch/52-1762334) – where AmazonSmile donates to Maryland Chapter, American Academy of Pediatrics Foundation.

For each donation of \$10.00 or more, we will send a beautiful contribution card to anyone you designate, sharing with them that you have made a gift in their honor this holiday season [Attachment].

## MDAAP Legislative Matters

**MDAAP Legislative Zoom Meetings – Tuesdays at 8:00 p.m. ET:** Please remember to pre-register at [https://us02web.zoom.us/meeting/register/tZ0udOygpjgiHtOorpCEh8L4RU\\_mXJNd18A9](https://us02web.zoom.us/meeting/register/tZ0udOygpjgiHtOorpCEh8L4RU_mXJNd18A9) to join this meeting to discuss proposed bills during our current January-March 2021 Maryland legislative session.

**MDAAP Virtual 2021 Resident Advocacy Day – Tuesday, February 16, 2021:**  
**ATTENTION MDAAP RESIDENT MEMBERS - MARK YOUR CALENDARS!** New for 2021, the day will be a virtual event; the day will start with a prep meeting (with MDAAP leadership and MDAAP lobbyist Pam Metz Kasemeyer) – followed by meetings with legislators and/or their staff members – and we'll end the day coming back together to debrief as a group. The specific schedule is still under construction, and will be emailed to you when available.

## COVID-19 Topics

**From the Maryland Department of Health:**

*\*Quick Reference Guide COVID-19 Vaccine Enrollment & Ordering [Attachment]:* This guide will assist potential COVID-19 vaccinators with registration and ordering in ImmuNet. Only one registration is required per location. Note that practices with multiple locations must register each location separately. This guide has five sections:

- (1) Quick Eligibility Screening Questionnaire (all potential vaccinating organizations must complete this questionnaire)
- (2) Non-VFC Provider Registration/Profile (applicable to all eligible organizations except VFC organizations)
- (3) VFC Provider Registration/Profile (applicable to all eligible existing Vaccines for Children (VFC) organizations only)
- (4) Ordering COVID-19 Vaccines
- (5) Reporting Administered Doses of COVID-19 Vaccines

Eligible organizations can sign in to ImmuNet to set up or complete their profiles. Be sure to read the instructions in ImmuNet carefully. The screen may look different if a staff from your organization has previously created a profile.

*\*MarylandVax Website <https://www.marylandvax.org/>:* This website hosts COVID-19 vaccination clinic information for Maryland's local health departments only. This site also offers scheduling for other clinics, including flu vaccination.

*\*Maryland Responds Medical Reserve Corps:* To register to volunteer at a COVID-19 vaccination clinic to give immunizations and support operations, see [Maryland Responds](#).

*\*CovidLINK:* The State of Maryland has launched a grassroots public outreach and equity campaign to promote vaccine confidence. These vaccines are safe, effective, and authorized for use by our country's leading medical experts. Join the GoVAX campaign [at covidLINK | Maryland Department of Health](#).

**MDAAP Upcoming Meetings/Events – FMI, <https://www.mdaap.org/events-meetings/> - *Mark your calendars!***

Tuesday, February 9, 2021

4:00-6:00 p.m. ET

MDAAP Chapter Pediatric Council Zoom Meeting

Register in advance for this meeting: <https://us02web.zoom.us/meeting/register/tZYuc-2rrzMuGtDtusD3pdY1J9p32GJbcMuR> . After registering, you will receive a confirmation email containing information about joining the meeting.

Tuesday, February 9, 2021

8:00-9:00 p.m. ET

MDAAP Chapter Legislative Session Zoom Meeting

Register in advance for this meeting:

From National AAP

**Submit a Promising Practice: Increasing Access to Pediatric Care via Telehealth During and After the Pandemic - Submissions due by 2/16/21:** The National AAP, with support from the Health Resources and Services Administration Maternal and Child Health Bureau, is working to identify promising practices that increase access to pediatric care via telehealth during and after the pandemic. These promising practices are intended to be practical, replicable, strategies that pediatric clinicians can quickly implement within their delivery of telehealth care. Using the online form at [Promising Practices in Pediatric Telehealth During and After the COVID-19 Pandemic Survey \(surveymonkey.com\)](#), detail the identified promising practices by 2/16/2021. Identified promising practices will be published through the Academy's Telehealth Playbook on AAP.org. All promising practices will be reviewed, collated, and published through the Academy's Telehealth Playbook on AAP.org. Please contact Erin Weil [eweil@aap.org](mailto:eweil@aap.org) with any questions.

**National Conference & Exhibition Call for Session Proposals - Due February 17, 2021:** The 2021 National Conference & Exhibition *revised* Call for Session Proposals is now open. New or revised session proposals and section/council program requests will be accepted

through February 17 at 11:59 pm CT. Full details and links to the online submission site are available on the 2021 Call for Session Proposals website at [2021 Call for Session Proposals – AAP Experience](#). Questions? Contact Katie Kovacs [kkovacs@aap.org](mailto:kkovacs@aap.org).

**Interested in Being SOID Training Fellow Liaison?** Are you a first- or second-year pediatric infectious diseases fellowship trainee interested in taking on greater leadership roles? The AAP Section on Infectious Diseases Executive Committee is inviting all first- or second-year ID fellowship trainees interested in serving as an Executive Committee Training Fellow Liaison or an Education Subcommittee Training Fellow Liaison to submit their nomination. Nomination materials are due to Dana Bright, MSW Senior Manager, Immunization Initiatives, at [dbright@aap.org](mailto:dbright@aap.org) by **March 1, 2021**. For more information, click [Call for Nominations: SOID Executive Committee and Education Subcommittee Training Fellow Liaisons \(aap.org\)](#).

**2021 Virtual AAP Advocacy Conference:** Registration is open at [2021 AAP Advocacy Conference - AAP](#) for the virtual 2021 AAP Advocacy Conference - formerly named the Legislative Conference - which will take place **April 11-13, 2021**. Join your colleagues for this year's virtual conference and learn how to become a strong voice for children! Participants will hear from distinguished guest speakers, attend advocacy skills-building workshops and learn about timely policy issues impacting children, families, and pediatricians. On the final day of the conference, participants will attend virtual meetings with their congressional offices and others from their state to discuss a timely child health issue. Early bird registration closes on Sunday, **February 28, 2021**. We hope to see you in the spring!

**Call for Nominations for Section on Infectious Diseases Lifetime Contribution Award:** The SOID Award for Lifetime Contribution in Infectious Diseases Education is given annually to a Fellow of the AAP who has made outstanding contributions in this area. The candidate's contribution should show a substantial long-term dedication to the highest ideals of education. The candidate need not be a member of SOID. To nominate someone, please submit the name and email address of the nominee, a nomination letter, and the nominee's resume to Dana Bright, [dbright@aap.org](mailto:dbright@aap.org), by **March 1, 2021**. For more information go to [SOID Award for Lifetime Contribution in Infectious Diseases Education \(aap.org\)](#).

**"Children and COVID-19: State-Level Data Report":** Find the January 28, 2021 report at [Children and COVID-19: State-Level Data Report \(aap.org\)](#). Questions? Contact Blake Sisk at [bsisk@aap.org](mailto:bsisk@aap.org).

**National AAP Statement on Biden Administration's Immigration Executive Orders:** Go to <https://services.aap.org/en/news-room/news-releases/aap/2021/aap-statement-on-biden-administrations-immigration-executive-orders/> to view AAP President Lee Savio Beer's statement.

**Toolkit Helps Pediatricians Identify and Address Spike in Childhood Hunger Caused by COVID-19:** Research shows that children who live in households that lack access to food are likely to be sick more often, recover from illness more slowly, and are more likely to struggle in school. It is not always obvious, even to a skilled health care provider, that a patient may be struggling with food insecurity. The AAP recommends pediatricians screen their patients for food insecurity, and intervene if needed to connect families to resources. In partnership with the Food Research & Action Center, the AAP offers an updated Food Insecurity Toolkit to help pediatricians. See the news release at [Toolkit Helps Pediatricians Identify and Address Spike in Childhood Hunger Caused by COVID-19 \(aap.org\)](#). Find the tool kit at [Screen and Intervene: A Toolkit for Pediatricians to Address Food Insecurity - Food Research & Action Center \(frac.org\)](#).

## Funding Opportunities

**HRSA "P4 Challenge: Innovations in Pediatric Primary Care to Improve Child Health":** Vaccinations and well-child visits help prevent outbreaks of childhood diseases. Recent CDC data show that fewer children got vaccines on time this year compared to last year because of

the COVID-19 pandemic. The P4 Challenge invites applicants to propose and implement innovative approaches to increase access to and utilization of well-child visits and/or immunizations services within primary care settings. Phase 1 submissions are due Monday, **March 15, 2021**. For more information, go to <https://mchb.hrsa.gov/p4challenge#prizes>.

### Scholarship/Fellowship Opportunities

**Equity Leaders Action Network Fellowship:** The BUILD Initiative is excited to announce the second cohort of Equity Leaders Action Network (ELAN) Fellowship. The Fellowship supports state, county, tribal, and territorial leaders to work within early childhood systems to advance policies, practices, programs, and initiatives that intentionally redress racial marginalization and create racial equity. Applicants should be interested in taking action within their roles, responsibilities, and spheres of influence to remediate and reduce disparities and inequities for young children (birth to age five), their families, and communities. The Fellowship is designed to nurture a community of leaders who work together to support, critique, and strengthen their shared commitment to building early childhood systems in which race and place no longer determine child outcomes and family well-being. The two-year ELAN Fellowship, funded by the W.K. Kellogg Foundation, will run from April 2021 to April 2023. Applications are due Friday, **February 19, 2021**. Register at [Meeting Registration - Zoom](#). View the fellowship application at [ELAN Fellow Application 2021 \(jotform.com\)](#) or [ELANFellowsApplication2021\\_form.pdf \(buildinitiative.org\)](#). Questions? Contact Sherri Killins Stewart at [info@buildinitiative.org](mailto:info@buildinitiative.org).

### Educational Opportunities

**Congressional Black Caucus Foundation's "Policy for the People Virtual Summit Series":** The onset of the COVID-19 pandemic along with intense race relations and crippling economic instability has created many challenges, affecting the physical and mental health for people around the nation. On November 30, 2020 the Center for Disease Control reported that Black people were 3.7 times more likely to be hospitalized and faced a 2.8 higher mortality rate from COVID 19 compared to their white counterparts. Black people face disproportionate rates of hospitalization and death by the coronavirus. Join these sessions on Thursday, **February 18, 2021** at 10:00-11:00 a.m. ET (Session 1: Understanding the Impact of the COVID 19 Vaccine on the Black Community: Register at [Webinar Registration - Zoom](#)) and 2:00-3:00 p.m. ET (Session 2: Mental Health Realities for Black America: Register at [Webinar Registration - Zoom](#)).

**17th Annual BHA Child, Adolescent and Young Adult Services Conference: "Integrating Clinical Intervention with Behavioral Health Approach":** Hosted by the University of Maryland School of Medicine, join this Zoom event on Tuesday, **March 9, 2021** at 9:00 a.m. - 3:30 p.m. ET. This statewide conference generally attracts 300-400 stakeholders from Maryland's public behavioral health community. Attendees include administrators (state and local), program directors, behavioral health and substance use disorders providers, consumers, family members and various advocacy groups. The conference fee is \$55.00, and registration is available at [Conferences \(eventrebels.com\)](#).

### FYIs

**BHA/MedChi Behavioral Health Webinar Series: Helping the Helpers and Those They Serve:** The MDH Behavioral Health Administration BHA and MedChi are jointly sponsoring a webinar series. These webinars are for Maryland's behavioral health and medical health care workers of all disciplines, whether working in community or hospital settings. They are designed to enhance both health care worker self-care and resultantly the care they provide, as health care workers combat numerous stressors including the COVID-19 pandemic, social justice issues, and other stressors that can potentially impact delivered care. CMEs are available at no cost. Upcoming webinars are open for registration. All webinars are from 5:00-6:00 p.m. ET:

- \*Thursday, **February 11, 2021**: Balancing Work and Parenting During the COVID-19 Pandemic
- \*Thursday, **February 25, 2021**: How to Address, Manage, and Heal from the Racial Microaggressions Experienced by Health Care Workers in Everyday Life

To register and for more information and archived recordings and slides go to [bha/medchi behavioralhealthwebinarseries \(maryland.gov\)](https://bha.medchi.behavioralhealthwebinarseries.maryland.gov).

### **Participants Needed For Research Study on Pre-Exposure Prophylaxis (PrEP)**

**Prescription:** MDAAP Chapter member Oluwatosin Olateju, MSN, BSN, RN, is working with the Anne Arundel County Department of Health to recruit providers caring for adolescents in ambulatory care settings to participate in a study that will assess the providers' knowledge, perceptions, and practices with regard to prescribing PrEP to minors. Participation involves one 45-minute interview session; each participant will receive a \$50 gift card in compensation for their time. Questions? Contact Oluwatosin Olateju, [hdolat22@aacounty.org](mailto:hdolat22@aacounty.org), [olola41@morgan.edu](mailto:olola41@morgan.edu), 443-722-1170. [Attachment]

**Fluoride Varnish and Oral Health Screening Program:** The Maryland Medicaid Program reimburses Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) medical providers who apply fluoride varnish to children, ages nine months through age five. Providers are eligible to receive a \$24.92 reimbursement for each varnish applied during an approved well-child visit. The Maryland Department of Health Office of Oral Health would love to help you become a part of the growing fluoride varnish provider team committed to using a preventive agent known to reduce dental caries in the primary (baby) teeth of "at-risk" infants and toddlers. See the attached MDH "Maryland's Mouths Matter" 2021 newsletter for information about training and certification. [Attachment]

**BHIPP Bulletin, January 2021:** This issue features "Collaborating to Care for the Mental Health of Young Children" (BHIPP Bulletin - January 2021 ([mailchi.mp](https://mailchi.mp))). For prior bulletins, see <https://mdbhipp.org/newsletter.html>.

**"Make Every Bit Count With the Dietary Guidelines":** See the new 2020-2025 Dietary Guidelines for Americans at <https://www.dietaryguidelines.gov/>. This edition marks the first time the Guidelines provide recommendations by life stage, from birth through older adulthood. Each stage of life is distinct and has unique needs that affect health and disease risk. Early food preferences influence food and beverage choices later. And the science has evolved to focus on the importance of a healthy dietary pattern over time. The science also shows it's never too late to start and maintain a healthy dietary pattern, which can yield health benefits in the short term and cumulatively over years. This new edition of the Dietary Guidelines includes specific recommendations for all life stages, now including infants and toddlers ([starts on page 51](#)) and children and adolescents ([starts on page 69](#)).

**"State of Global Air/2020":** The Health Effects Institute released report, a global report card on air pollution exposures and their impacts on human health. The report and interactive website are designed to give citizens, journalists, policy makers, and scientists access to reliable, meaningful information about air pollution exposure and its health effects. ([State of Global Air 2020](#))

**"Diabetes Education for Better Health":** The MDH has launched an eight-part diabetes education series for health care providers and residents with diabetes or those at-risk for diabetes. This webinar series was developed by the MDH Center for Population Health Initiatives as part of Maryland's Diabetes Action Plan and is another tool aimed at preventing and managing diabetes in Maryland. For further information and to register go to [8 Webinars for Managing Diabetes \(constantcontactpages.com\)](#).

Job Postings – FMI, <https://www.mdaap.org/job-opportunities/>

**Physician III – Non-Merit – Baltimore County**

Job #24.456 8-19

A Non-Merit vacancy exist in Clinical Services, Department of Health and Human Services. Under direction, plans, directs, and controls the activities of a bureau of the Health Department.

- \*Plans, organizes, directs, controls, and evaluates the programs and services provided by a Health Department bureau.
- \*Coordinates the activities of the bureau with services provided by other health agencies.
- \*Plans, prepares, and administers operating and grant budgets.
- \*Interprets and develops standards, policies, and procedures governing program operations.
- \*Examines and diagnoses patients.

For more information, see [physician-iii-non-merit | Job Details tab | Career Pages \(governmentjobs.com\)](#).
