

## Participants Needed For Research Study on Pre-exposure Prophylaxis (PrEP) Prescription

The Anne Arundel County Department of Health is currently recruiting **providers (MDs, NPs or PAs) who are caring for adolescents between the ages of 13-18 years in ambulatory care settings**, to participate in a study that will assess the providers' knowledge, perceptions, and practices with regard to prescribing PrEP to minors. Study participants (MDAAP members and non-members) must be practicing in any of the following Maryland city or counties: **Allegany, Anne Arundel, Baltimore City, Baltimore County, Calvert, Carroll, Charles, Howard, Kent, Montgomery, Prince George's County, Washington, and Wicomico.**

### Participation

- One (1) open-ended semi-structured audio-recorded interview session
- Interview can be in-person, by phone, via Skype or Zoom
- Expected to last a maximum of 45 minutes
- Each participant will receive a \$50 gift card in compensation for their time

**Are you eligible or unsure if you meet the requirements?**
