**FY 2022 Call for Proposals.** The Maryland Community Health Resources Commission (CHRC) released its [Call for Proposals](#) for FY 2022 on February 4, 2022. The Commission has approximately \$7 million to award. The Call for Proposals has two strategic priorities:

1. Advancing health equity by addressing health disparities and adverse Social Determinants of Health (SDOH), with a particular emphasis on groups disproportionately impacted by the COVID-19 pandemic, including racial and ethnic minorities; and
2. Promoting the efficient and strategic delivery of integrated health and social services through innovative, sustainable community partnerships that address the totality of medical and non-medical needs, with emphasis on approaches that consider the ongoing challenges of delivering services, during the COVID-19 pandemic.

In this year's Call for Proposals, the Commission will consider projects in three Areas of Focus:

- Chronic disease prevention and disease management, including diabetes and its comorbidities, hypertension, heart disease and others.
- Family health, including maternal and child health and childhood asthma.
- Behavioral Health, including Mental Health and Substance Use Disorder (SUD) and the ongoing impact of the opioid crisis.

### **Timeline for Submission:**

- February 14, 2022 – Frequently Asked Questions call
