**Opportunity #2 --- on one Saturday morning
Saturday/May 14, 2022, at 9:00a-12:00p ET**

Register at <https://umaryland.zoom.us/meeting/register/tJ0qf-2vpj4vGdU61KD18OppvRIJ0Lq1nyb3>.

Sponsored by
the University of Maryland, School of Social Work
in collaboration with
the Maryland Chapter, American Academy of Pediatrics

This *free CME virtual training* includes:

- Critical elements that define sex and labor trafficking.
- Characteristics of sex and labor trafficking.
- Common signs of human trafficking that medical providers may see in their practice.
- Steps healthcare providers and their staff can take to learn more if a patient is showing signs that make them suspicious of a trafficking situation.

Who Should Attend: Pediatricians and pediatric healthcare providers

For questions or additional information, please contact Loretta I. Hoepfner, Executive Director, Maryland Chapter, American Academy of Pediatrics, 410-878-9702, loretta@mdaap.org.

Each free CME virtual training will offer 2.75 hours of AMA PRA Category 1 Credits.
