Hopkins University School of Medicine

# MDAAP Chapter Awards

## **CHILD ADVOCATE AWARD: Center for Hope**

This award is given to a non-MDAAP Chapter member or group who has, through its partnership with the MDAAP Chapter and advocacy for the needs of children and adolescents, made a significant contribution to the well-being of children and adolescents in Maryland.

## **LEADERSHIP AWARD: Rebecca Carter, MD, FAAP**

This award is given to an MDAAP Chapter member who has excelled in leadership of Chapter activities, either through a special project or a committee initiative in the past three (3) years.

## **LIFETIME ACHIEVEMENT AWARD: Bruce Klein, MD, FAAP**

This award is given to an MDAAP Chapter member, who, over a lifetime, has significantly contributed to an area of Pediatrics and is recognized in Maryland and the United States for leadership and expertise.

## **MICHAEL BURKE, MD MENTORSHIP AWARD: Scott Krugman, MD, FAAP**

This award is given to an MDAAP Chapter member who exhibits excellent mentoring skills, teaching skills, models empathy and kindness, and advocates for medical students, physicians-in-training, and/or young physicians.

## **PEDIATRICIAN OF THE YEAR: Deborah Badawi, MD, FAAP**

This award is given to a pediatrician, FAAP, and MDAAP Chapter member, whose career has exemplified the ideals of Pediatrics in service, advocacy, and contribution to organized Pediatrics through leadership in the Chapter or through outstanding contributions to child health or professional pediatrics in Maryland.

## **SPECIAL ACHIEVEMENT AWARD: Jennifer Maehr, MD, FAAP**

This award is given to a physician, currently a Maryland resident, who over an entire career has made an outstanding contribution to child health through research, service, or educational endeavors.

# National AAP Special Achievement Awards

*For distinguished service and dedication to the mission and goals of the Academy*

## **Jinlene Chan, MD, FAAP**

Dr. Chan has led the State of Maryland's COVID-19 vaccine efforts with a particular Commitment to supporting pediatricians to vaccinate children and adolescents.

## **Wendy Lane, MD, FAAP**

Dr. Lane has led our chapter advocacy efforts for many years to support families and children being served in Maryland's foster care system.

## **Monique Soileau-Burke, MD, FAAP**

Dr. Soileau-Burke has spearheaded our MDAAP COVID-19 vaccine campaign for children and adolescents through media messaging and practical support to her colleagues.

## ***Special Thanks to Our Breakfast Sponsor***

**American Dairy Association North East (ADANE)** is a not-for-profit organization representing 9,000+ dairy farm families across New York, New Jersey, Pennsylvania, Delaware, Maryland, DC and northern Virginia.

Committed to nutrition education and research-based communications, ADANE provides science-based nutrition with the goal of fostering a healthier nation. For more information, visit [www.americandairy.com](http://www.americandairy.com).

## ***Special Thanks to Our Luncheon Sponsor***

**All About Books** is proud to partner with Maryland Chapter, American Academy of Pediatrics because like you, we believe in the importance of early childhood literacy.

Shop hundreds of high-quality, discounted titles at [www.allaboutbooks.org](http://www.allaboutbooks.org), or contact us to learn more. Email [service@allaboutbooks.org](mailto:service@allaboutbooks.org) or call (866) 732-3667.

## Our Table Sponsors

**Neb Doctors of Maryland** is a JCAHO Accredited Durable Medical Equipment provider specializing in pediatric respiratory therapy and breastfeeding products. Serving Maryland and Washington DC, we accept all major commercial and private insurance plans including Medicaid, and provide same or next day service for your breast pump, nebulizer, and other DME needs.

**Pfizer:** PREVNAR 13 (Pneumococcal 13-valent Conjugate Vaccine <https://www.prevnar13vax.com/>). TRUMENBA (Meningococcal Group B Vaccine) <https://www.trumenba.com/>.

**PM Pediatric Care** is the nation's largest provider of pediatric urgent care. Our specially trained pediatric experts treat children and young adults for everything from strep to stitches. For more information about PM Pediatric Care including nearby locations and telehealth visits, visit us online at [pmpediatriccare.com](http://pmpediatriccare.com).

This non-branded medical booth is hosted by the **Sanofi** Medical affairs, the objective to increase the awareness of RSV burden in infants. RSV is the leading cause of hospitalization in infants under 12 months. Severe RSV disease is unpredictable. Any infants (born at term and healthy, or premature with underlying conditions) can be hospitalized in their first season. What could this mean for all infants? Come and visit our booth to know more about it.

**Seqirus** is part of CSL Limited (ASX: CSL). As one of the largest influenza vaccine providers in the world, Seqirus is a major contributor to the prevention of influenza globally and a transcontinental partner in pandemic preparedness. With state-of-the-art production facilities in the U.S., the U.K. and Australia, and leading R&D capabilities, Seqirus utilizes egg, cell and adjuvant technologies to offer a broad portfolio of differentiated influenza vaccines in more than 20 countries around the world.

## Our Exhibitors

The Erin Levitas Foundation provides clear, user-friendly early sexual violence prevention education for all communities. We invest in evidence-based and research-informed education for parents, guardians, professionals, and children. To reduce risk factors and sexual harm through partnerships we provide tools to build protective attitudes and behaviors through healthy boundaries and communication skills.

**Maryland Behavioral Health Integration in Pediatric Primary Care (BHIPP)** supports the ability of pediatric primary care providers to address and manage mental health concerns. BHIPP is a free statewide program that offers telephone consultation, resource and referral networking, care coordination, telemental health services, and training and educational opportunities.

**Maryland Coalition of Families** is a statewide nonprofit dedicated to connecting, supporting and empowering families impacted by a loved one's behavioral health challenges. MCF's family peer support services help families connect to resources and navigate systems to improve outcomes for individuals across the lifespan experiencing mental health, substance use or problem gambling challenges. We offer families one-to-one support as well as family-to-family support groups and educational workshops. MCF is also a strong advocate on efforts to improve services and systems that impact individuals with behavioral health challenges and to reduce stigma related to behavioral health.

## Our Exhibitors

**Maryland EXCELS** is the state's quality rating and improvement system for child care and early education programs that meet nationally recognized quality standards. Maryland EXCELS rates the quality of programs on a scale of 1 to 5, which families can then use to find a high-quality program for their children.

The **Maryland Poison Center** is certified by the American Association of Poison Control Centers as a regional poison center. It has provided poisoning treatment advice, education, and prevention services to Marylanders since 1972. Poison Specialists are available 24 hours/day, every day of the year. Callers Reach the MPC at 1-800-222-1222.

In October, Maryland's child passenger safety (CPS) law will change. Learn details of the CPS law, get car seat and seat belt materials, ask questions, and learn of referral options for personal car seat assistance. The exhibit is hosted by the CPS Healthcare Project at the **Maryland Institute for Emergency Medical Services Systems**.

**NAMI Maryland** is a statewide organization, with eleven local affiliates, whose mission is to improve the quality of life for individuals and their families coping with mental health conditions. We are dedicated to providing education, support, and advocacy for persons with mental health conditions, their families, and the wider community. [www.namimd.org](http://www.namimd.org)

**Ready At Five** is committed to comprehensive school readiness for all Maryland children. Currently, only 40% of students entering Kindergarten demonstrate the foundational skills needed for academic success. Our resources ([www.readyatfive.org](http://www.readyatfive.org)) are geared toward empowering early childhood educators to deliver necessary high quality learning experiences to ensure that our children are successful; they can also be shared directly with parents through your practice.

## Our Exhibitors

The **Parents' Place of Maryland** mission is to empower families as advocates and partners in improving education special and health outcomes for children with disabilities and healthcare needs with a commitment to diversity and equity. PPMD provides resources, support, and information to families across the state free of charge.

**Pathfinders for Autism** is dedicated to improving the lives of individuals with autism and their families through our Resource Center, trainings and workshops, and family fun events. Our training activities include a practical understanding of autism for healthcare providers titled, "Your Next Patient Has Autism: Are You Prepared?"
